Encompassing 4,345 acres, Kokee State Park is the crowning jewel of the island, featuring 45 miles of public hiking trails plus the breath-taking Kalalau Lookout, 4,000 feet above sea level.
Waimea Canyon is referred to as the "Grand Canyon of the Pacific." Your 11-mile trip will take you to a breathtaking view of this famous wonder.

The Russian Fort dates back to 1817. It was built when Kauai was briefly a Russian protectorate. Only the rocky remains of a hexagonal, starlike fort are visible today.

BUCKLE UP! IT'S THE LAW.
Waimea in Hawaiian means "red water." You may notice a reddish cast in the river's water. It is caused by the runoff of the iron-rich soil.
